# Help improve the well-being of dis-advantaged children when Serena Williams lands an ACE

Donate when Serena Williams scores an ace during the US Open to support East Bay Agencies for Children to help reduce the incidence and impact of trauma to children and youth.

## What We Do

East Bay Agency for Children (EBAC) improves the well-being of children, youth, and families by reducing the impact of trauma and social inequities.

We are committed to reduce barriers that contribute to disparities in wellness for socioeconomically disadvantaged and racially marginalized families. We seek to create communities where all children and families have supports to reach their full potential.

## Meet The GOAT

Serena Williams is an American professional tennis player and is considered by many to the Greatest of All Time (GOAT). She has been ranked singles world No. 1 for 319 weeks, including a joint-record 186 consecutive weeks, and finished as the year-end No. 1 five times. She has won 23 Grand Slam singles titles, the most by any player in the Open Era, and the second-most of all time behind Margaret Court

She is proud to support this foundation as it will not only help reduce the impact of social inequities but also help a child realize their potential to lead a fulfilling life.

Join her in donating to help dis-advantaged children, youth and families in San Francisco and make a difference in their lives!
